2021 ELM Home Improvements

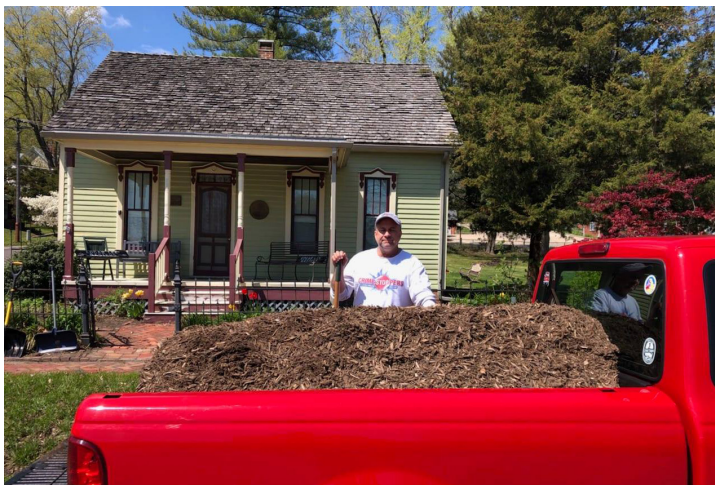

The summer of 2021 was a very busy time at ELM. The Board held two workdays--one to clean up the landscaping and another to clean the basement.

Board members, garden club members, and other volunteers spent additional days working in the gardens weeding, planting and mulching, as well as weekly mowing.

Shelly Knuppel painted the front and back porches; a professional painting contractor was hired to paint the rest of the house.

Mike Wiant rebuilt the Garden Club bench; and, he also built a unique lawnmower shed that resembles an outhouse--in keeping with the home's era.

Bobby Lipsky donated the "Little Library" that resides on the front porch for community use.

“TO THIS GENERATION I WOULD SAY:
MEMORIZE SOME BIT OF VERSE
OF TRUTH OR BEAUTY.”

~Edgar Lee Masters
