
FRIENDS OF EDGAR LEE MASTERS MEMORIAL MUSEUM

FRIENDS NEWSLETTER

This inaugural newsletter is one of benefits of your *Friends* of ELMM membership! Thank you for joining this spring. Your membership helps enable us to take care of the home and the grounds.

We are very disappointed that Covid-19 prevented us from hosting the annual Night Under the Stars event. You can be sure that once it's safe to mingle again we'll be re-scheduling this and many more fun events at the home.

In the meantime, volunteers have been busy with outdoor projects. The lawn has been kept neatly mowed and gardens are looking lovely. Please stop by anytime to enjoy the gardens. We invite you to use the picnic tables in the backyard for a picnic lunch or supper!

WANTED! Volunteers! If you're interested in helping out with some of outdoor projects-- lawn care, garden bed maintenance, painting, etc.

“It takes life to love life.”
